

Push-in Type

IEC Connector

0717-1

Series

Features:

- Class I equipment protection for "cold" connections 70°C
- Push-in mounting
- Built in fuse holder

Material:

Housing: NYLON 66 flammability UL 94V-2 (UL 94V-O on request)

Terminal: copper alloy

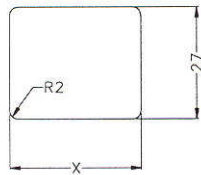

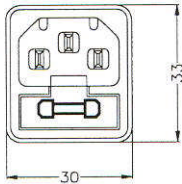

Application:

Audio Amplifier, U.P.S., Etc.

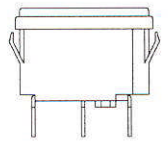

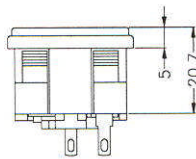

Power Inlet with M205 Fuse Holder

Unit: mm

THICKNESS:
0.8~1.2t(X=31.4)
1.3~2.0t(X=31.6)

PANEL CUT-OUT

Order No.	Terminal Options
31694	2.5mm Solder Tab
Special Order	2.8mm Solder Tab
31693	4.8mm / .187" Q.D./Solder Tab
31692	6.3mm / .250" Fast-on Tab
