

## Keystone: Male Quick-Fit PCB Terminals on Continuous Reel

These new, male tab terminals are specifically designed on a continuous reel (strip) to be compatible with standard automated insertion equipment - reducing assembly and processing time.

Manufactured from Brass with Tin-plate, these new Quick-Fit Terminals ensure easy installation and soldering to a PCB and are packaged on reels as a "drop in" replacement for existing product.

- Finish/Plating: Tin
- Material: .032 [.81] Brass
- Mounting: THM
- Orientation: Vertical
- RoHS: Yes
- Tab Size: .250 [6.4]
- Terminal Type: Quick-Fit
- UL Recognised: Yes - (USA & Canada) E201546

Part No.	Current Rating	Packaging
K1287-R	15 Amps	Continuous Reel - 10,000 per reel
K1287-STR	15 Amps	Continuous Reel - 15,000 per reel
K1289-STR	20 Amps	Continuous Reel - 15,000 per reel
